"AN ACT CONCERNING REVISIONS TO ELECTIONS RELATED STATUTES."

1 After the last section, add the following and renumber sections and
2 internal references accordingly:

3 "Sec. 501. Section 9-247 of the general statutes is repealed and the
4 following is substituted in lieu thereof (*Effective from passage*):

5 The registrars of voters shall, before the day of the election, cause
6 the mechanic or mechanics to insert on each machine the ballot labels
7 corresponding with the sample diagrams provided and to put each
8 such machine and cause each other voting system approved by the
9 Secretary of the State for use in the election, including, but not limited
10 to, voting devices equipped for individuals with disabilities that
11 comply with the provisions of the Help America Vote Act, P.L. 107-25,
12 as amended from time to time, to be put in order in every way and set
13 and adjust the same so that it shall be ready for use in voting when

14 delivered at the polling place. Such registrars of voters shall cause [the
15 machine so labeled,] each voting system to be in order and set and
16 adjusted, to be delivered at the polling place, together with all
17 necessary furniture and appliances that go with the same, at the room
18 where the election is to be held, not later than [six o'clock in the
19 afternoon of the day preceding the election. Each voting machine shall
20 be furnished with light sufficient to enable electors while voting to
21 read the ballot labels and suitable for use by the election officials in
22 examining the counters. A pencil shall also be provided, within each
23 voting machine, for use in casting a write-in ballot] one hour prior to
24 the opening of the polling place."
